

Art supply list for Mrs. Bailey

This supply list is used for all art classes, at all levels.

Items can be purchased from <https://store.schoolspecialty.com> or Sax arts and crafts, which is also school Specialty.

For the classroom: General supplies for an art room – to be used by the class

Pencil sharpener	Glue – sticks or liquid	Masking tape – 2 rolls per student
Box of tissues	rubber cement	Paper/ watercolor
Paper Towels	Styrofoam plates for palettes	Watercolor paints
Large garbage	Containers for water/ cups	Acrylic paints/ see list below
Cleaner for the tables.	Crayons – Assorted colors	Palette knives
Q-tips	Markers – assorted colors /sharpies & washable	Paint brushes- flats and rounds
Scissors	Colored pencils	Assorted colored construction paper
x-acto knives if permitted	Charcoal	Black construction paper
Stapler and staples	Compass – for making circles	sponges for painting
Rulers – 24 inches long or yard sticks	Cling wrap/ Saran wrap	
Rulers – 18 inches	Scotch tape	
T-squares – for drawing		

The following are supplies that are needed for the student's projects. Please use your judgment as to how much you are going to order. Example: black construction paper. If you already have this on hand then it does not have to be ordered or if you have only

one student, please order a smaller amount. I will try to work around students that do not have all of the supplies, but having the correct supplies will enhance the art experience.

Supplies needed for the student to use –Provided by the school see below.

If you have supplies from another teacher and feel that those will do – I will work with them. Please do not feel that you have to get different supplies for my class. Please use your best judgment when ordering supplies as to what your budget will accommodate. If you have any questions my email is Jennifer.bailey@k12.nd.us .

**A note about the foam – core boards – Any hardboard or plywood board will do if this is what you have already. This allows the paper to be taped down with masking tape so that it stays flat and portable during the working and storing process. The foam- core will also work and is lighter. The upper art students will want a full sheet as their watercolor paper is larger. Art 1 students can use half a sheet as their watercolor paper is smaller.
