C	78-83
D	70 -77
F	69 and Below

Make-up Work: Please let me know when you will be absent – that is, if you happen to know ahead of time. The number of days a student is absent is the number of days that will be allotted for making up homework. Students may have a week to make up any missed quizzes and/or tests. It is your responsibility to keep track of your make-up work, and to let me and the ITV facilitator know when you will be able to make up quizzes or tests.

*It is extremely important to get any make-up work completed and handed in as soon as possible, as we will continue to move forward with new information. Also, remember, work that is not completed shows up on power school, and can affect eligibility.

Attendance/Participation

Daily attendance, preparation, and participation is necessary when learning a second language. Students who are in class, come prepared, and participate, are more successful in their language study.

Other Reminders

Students need to arrive to class on time, have all of their materials, and be prepared for each class period. Students should remain in their seats and in camera view at all times during the class period. If a student needs to leave class for any reason, he or she needs to ask the instructor for permission.

I look forward to a great year with all of you!
