Interactive Television - Student Discipline Policy

The Great Western Network schools are proud and excited to offer our students a means of furthering their education.

Two-way Interactive Television is a means for school districts to provide low-incidence courses that may not normally be available to students because of low enrollment or lack of qualified personnel.

Because of the uniqueness of this technology, certain standards are expected of students enrolling in these courses. This policy is intended to make both students and parents aware of the standards expected of students enrolling in such courses.

As a student taking ITV courses, I am aware that:

- 1) Certain standards are expected of me as a student and insubordination of any kind will not be tolerated. Insubordination has been defined as anything that interferes with teaching or learning in the classroom.
- 2) Inappropriate language or gestures will not be tolerated.
- 3) All classes are digitally recorded and made available for viewing via web streaming.
- 4) Classroom procedures must be followed:
 - A) Students must sit within camera view at all times.
 - B) Students must not mishandle the classroom equipment.
 - C) Students must follow all other rules as specified by the teacher.
 - D) Use of cell phones and other mobile devices are not allowed unless approved by the teacher.

The 3 step procedure outlined below will be used when dealing with students. A student may be permanently removed from the ITV class or moved more than one step at a time if warranted.

First Offense: The student will be given a verbal warning and told that his/her parents will be notified by letter of the infraction. The classroom teacher will send a letter to the student's principal and the GWN director.

Second Offense: The student will be removed from the class and a telephone conference with the parents, administrator, teacher, and student will be held before the student is allowed to return to class. If the issue is not resolved after 3 days, the student will be dropped from the class roster and a failing grade for the semester will be given.

Third Offense: The student will be removed from the class and receive a failing grade for the semester.

* A building administrator and/or the ITV Director are also authorized to discipline ITV students as described above.

I have read and understand the discipline policy as well as the letter to the students by the GWN director and agree to its terms.
